PRESS RELEASE

**WOMEN'S DAY CELEBRATION WITH WOMEN
SANITATION STAFF AT RAJ NIVAS**

Hon'ble Lt. Governor, Dr. Kiran Bedi invited Women Sanitary Staff to Raj Nivas to celebrate the women's day on account of International Women's day, which falls on 8th March, 2017.

The women employees of Swachhata Corporation engaged in mission "Swachh Puducherry" and who could be rightly termed as "Sanitation Engineers" gathered in the lawns of Raj Nivas as part of Womens Day Celebration. The celebration was dedicated to the women of Swachhata Corporation who were rendering their services in the most difficult environment at the risk of their own hygiene.

It was a celebration of different kind where the women volunteers were made to render songs, thereafter which were made to dance and celebrate. The gathering was dedicated for them to abound in joy by singing and dancing and celebrate the moment to forget the burdens of their day to day life.

Hon'ble Lt. Governor said that on behalf of the entire people of Puducherry she was thanking the swachh army for keeping Puducherry neat and clean. Their work has been recognised by the people and thanks to their good work, the tourists flocking to Puducherry are all praise for its cleanliness. Hon'ble Lt. Governor conveyed that the Market Association has willingly come forward to render minor assistances to them and the Market Associations would be competing to earn the title of cleanest market. The swachhata workers of that Market area would also be recognised. The army of swachh workers were advised to bring their problems to the immediate attention of their supervisor for corrective action.

Hon'ble Lt. Governor said that during the next meeting, the representatives of the market association would also take part for better co-ordination in the endeavour towards "Swachh Puducherry"
